Venue Information

The Half Moon is a large pub with a 220 capacity live music venue attached.

The pub, venue and garden has step free access throughout. Level access is via the garden, through the gate to the right of the main entrance. Upon entering the pub this way, the performance space can be found through the double doors on the right hand side. We also have a fully accessible toilet which can be found in the bar area of the venue. If you require early entry for one of our shows, or if you are visiting us with a Personal Assistant, please email music@halfmoon.co.uk and we will assist you.

Live music events at The Half Moon are either seated or standing depending on the event. Please contact us for details on specific nights. There is a cushioned pew at the back of the room on which we can reserve a space for you should you require it. Note this area is slightly raised with a single step. If you require a space here, or an alternative spot in the venue with a seat and no step, please get in touch in advance and make yourself known to our door staff who will be happy to help you.

For any access enquiries please email us at music@halfmoon.co.uk and we will aim to get back to you within 24hrs.
